

Chain-Link Fence Bid Sheet

Scope

- A. Refer to site-specific plan provided by Green Country Habitat for Humanity (GCHFH) for general and supplementary site conditions.
- B. Contractor to provide all labor, operations, materials, and equipment necessary to complete this work.

Quality Assurance: The contractor shall provide laborers and supervisors who are thoroughly familiar with the type of construction involved and materials and techniques specified.

Product

4' galvanized chain-link fence, gates, and hardware

Execution

- A. Locate property corners and lines.
- B. Verify with GCHFH representative location of gates and returns.

Installation: Install post and fencing along property lines in straight uniform consistencies of spacing and height. Fence mesh shall be pulled tight without sags and wrinkles. Gates shall latch, open, and close with minimum effort.

Please provide lineal foot price cost.

Bid to include lineal footage installed; plus materials, labor and equipment required to install fence and gates.

Please reference which site you are bidding, include references, licenses and certifications. For more, including insurance requirements and accounts payable schedule, visit greencountryhabitat.org/bids.
