

HVAC Bid Sheet

Scope

- A. Refer to site-specific plan provided by Green Country Habitat for Humanity (GCHFH) for general and supplementary site conditions.
- B. Contractor to provide all labor, operations, materials, and equipment necessary to complete this work.

Products

- GCHFH participates in the Energy Star program and utility provider rebate programs, and systems must meet the stringent requirements put forth by these programs.
- The equipment must be engineered properly to ensure the most efficient system.
- Verify and comply with all requirements of programs.

Application

- The HVAC contractor shall furnish and install a complete heating and air conditioning system as required by the applicable plans and specifications.
- All materials and workmanship shall comply with applicable codes, specifications, local ordinances, industry standards and utility company regulations.

Clean up - Maintain a clean, and safe work site.

Please provide materials, labor, and equipment bid based on per square foot of installation area.

Please reference which site you are bidding, include references, licenses and certifications. For more, including insurance requirements and accounts payable schedule, visit greencountryhabitat.org/bids.
